Re: Applicant: Pektron Group Ltd
FCC ID: AQO018
Part 2.933(b) Change in Identification of Equipment

Pektron Group Ltd requests a change in identification of a currently certified device under Part 2.933(b).

The original equipment identification is FCC ID: VPYLB1XK.
The original Grantee: muRata. was granted approval on 22nd September 2021.

The original test data filed by muRata continues to be representative of the newly identified device. There are no changes to the hardware or software.

This change in identification is requested for the newly identified device, FCC ID: AQO018, which is physically and electrically identical as defined by Part 2.907, to the originally approved module.

Photographs as required under Part 2.933(5) and FCC ID label are submitted with this request.

Please let us know if you might require anything further to assist with your review of this Change in Identification of Equipment.

Yours sincerely,

Richard Jones
Electrical Test Manager
