FCC ID : ASIK9X004
Applicant : JVC KENWOOD Corporation

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: ASIK9X004, originally granted on 10/27/2009 .

We changed the following points from the original model.

- Artwork changes from shape change of the crystal.
- The heat sink of the FET DC supply to the heater mounting change.
- The address lines added to the RAM for shared with 600dpi model.

Please refer to attached "Theory of operation" for details of these modifications.

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely,

Manabu Sato
JVC KENWOOD Corporation
