Dear Mr. Leimer:

We have reviewed the request from Honeywell International Inc. for Type Acceptance Certification of the KT 73 ATCBRS/Mode Select Transponder, with Federal Communication Commission ID number ASYKT73. The technical data for this equipment is consistent with the spectrum requirements of the RTCA Document No. RTCA/DO-144. We have no objection to the certification of this device.

If you require any additional information, please contact Ms. Margarette Ebate, Spectrum Assignment and Engineering Division, at (202) 493-5195.

Sincerely,

Donald K. Willis
