MULTITECH
CREATE • CONNECT • COMMUNICATE

To Whom It May Concern:

The MultiConnect mCard Lora, MTAC-Lora-915 is a long range RF Gateway using a Semtech SX1301 – Base Band Processor for Data Concentrator for Long Range Communication Network and a pair of Semtech SX1257 RF Front-End Transceivers operating in the ISM band.

WE, MULTI-TECH SYSTEMS INC., 2205 Woodale Dr., Mounds View Minnesota 55112 United States, are seeking original FCC single modular approval per FCC 15.212 and certification under FCC 15.247.

FCC ID is AU792U13A16856. IC ID is 125A-0053.

Sincerely,

Marvin Sundeen
Director of Quality Control
Multi-Tech Systems, Inc
