

Request for Class II Permissive Change

March 13, 2015

Federal Communication Commission
Equipment Authorization Division
Application Processing Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

FCC ID : AX2QY5092
Applicant : Clarion Co.,Ltd.

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: AX2QY5092, originally granted on February 13, 2015.

Please refer to attached "Theory of Operation- Differences" for antenna change and attached "SPECIFICATION TABLE" for other differences on this letter.

Meanwhile we submit the following documents related to this change. There is no change before and after change except for these documents.

☒	Test Report (Comparison data)
☒	External Photo
☒	Internal Photo
☒	User Manual
☒	Label drawing/ location
☒	Block Diagram
☒	Specification
☐	Schematic Diagram
☐	Parts List

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely,

Masahiko Shibata
Clarion Co.,Ltd.
