EXHIBIT 3-B

A black handheld electronic device, possibly a barcode scanner or a rugged PDA, is shown from a side-rear perspective. The battery cover is removed, revealing the internal battery compartment and various electronic components. A white label is affixed to the top of the battery compartment, containing technical specifications and a barcode. The device has a textured black plastic casing. On the left side, there are two circular buttons with icons: a stylized 'M' and a USB symbol. The device is resting on a plain white surface.
