EXHIBIT 9-A

A blue printed circuit board (PCB) of a mobile phone, showing various components like a screen, camera, and a barcode sticker. The board is populated with numerous gold-plated surface-mount components, including capacitors and resistors. A large black rectangular area on the left represents the screen. A circular camera lens is visible near the top center. A white barcode sticker is affixed to the right side of the board, with the text "8485522001 P5-B" printed above it. The board is set against a plain, light-colored background.
