To Whom It May Concern:

Pursuant to FCC 47 CRF 0.457(d) and 0.459 and ISD RSP-100 Section 12, the applicant requests that a part of the subject FCC application to be held confidential.

Nautel has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage we have achieved by developing this product. Not protecting the details of the design would result in financial hardship.

Permanent Confidentiality:

The applicant requests the exhibits listed above as "permanently confidential" to be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Short-Term Confidentiality:

The applicant requests the exhibits selected above as "short term confidential" be withheld from public view for a period of days from the date of the Grant of Equipment Authorization and prior to marketing. This is to avoid premature release of sensitive information prior to marketing or release of the product to the public. Applicant is also aware that they are responsible to notify Compliance Testing in the event information regarding the product or the product s made available to the public. Compliance Testing will then release the documents listed above for public disclosure pursuant to FCC Public Notice DA 04-1705.
