## Overview

UTC Fire and Security is submitting this application for the original limited modular approval of their model AVO-ZW, Z-wave radio, FCC ID: BZ4-959-ZW. The test reports from Intertek reference FCC ID:BZ4-959B-ZW, however, this is the identical radio as FCC ID: BZ4-959-ZW. This radio will be professionally installed in host device AVO-1037 AdvisorOne Security Panel.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

A letter listing the applicable modular requirements was submitted.

## Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
