

Date: July 12, 2016

Federal Communications Commission
Equipment Authorization Division,
Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID : B6BGZ-1XXP
Applicant : Nihon Kohden Corporation

To whom it may concern:

We, Nihon Kohden Corporation, hereby declare, for FCC ID: B6BGZ-1XXP, this device is the same as FCC pre certified "SDIO Wireless Module" (SX-SDMAN) of Silex Technology, Inc. with FCC ID: N6C-SDMAN. The results are available in the following test report.

Test Report No.: 10517042H (Conducted)
Test Report No.: 11166423H (Radiated)

And also the module will be controlled not to use Bluetooth function and 802.11n-HT40 mode by software of host device.

Sincerely Yours,

Katsuaki Kobayashi
Nihon Kohden Corporation
