Contains FCC ID: B94-MT7925B22MP
Contains IC: 466X-MT7925B22MP

2. Users are able to access the information in **3 steps**.

The actual Steps are: [Choose esc or F10 > Advanced > Electronic Labels](#).

The E-Label can be accessed without any special accessories, access codes, or SIM card having to be in place.

3. Electronic labeling information is programmed into the device by the manufacturer at the time of manufacture.
4. Electronic labeling information is not modifiable by any third party, and the FCC ID and required regulatory information are displayed electronically in a manner that is clearly legible without the aid of magnification.
5. When e-labeling is used, a physical temporary label is also required on the product, or a label on the packaging, at the time of importation, marketing, and sales.

The physical label will be on the packaging box.
