FCC Grant Dismissal for FCC ID: B94HNAR01

Dear Sir:

The certified product, FCC ID: B94HNAR01, granted on March 25, 2013, was not sold or marketed and will not be sold or marketed anywhere with an FCC ID. We decided to make a slight change on the product and re-submit the equipment authorization under the same FCC ID. Once the re-submitted application is approved, we will sell or market the product under that FCC ID.

Therefore, we request to have FCC Grant dismissal of the granted FCC ID: B94HNAR01.

If you have any comments or questions, please feel free to contact me.

Sincerely,

Walter Overcash
