

Attn: Director of Certification
Industry Science and Economic Development Canada

Authority to Act as Agent

I appoint Steve Hackett of Intel Corporation to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in Industry Canada's regulations will have affixed to it a label identical to that submitted for approval with this application. This authorization applies to applications associated with IC: 466Q-AX200D2LCN, 466X-HNC04PD and 466X-HNC04PK.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for Certification, as specified by American TCB.

Agency Agreement Expiration Date: May 22, 2020

Dated this 22nd day of May 2019
