

FCC Part 15 Subpart C/IC RSS-210 Manual Statement:

This device complies with Part 15 of the FCC Rules and RSS-210.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

FCC Warning:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
