Application Processing Branch
7435 Oakland Mills Road

FCC ID : BABFT0048A
Applicant : DENSO TEN Limited

To Whom It May Concern:

This request is to add Equipment Code CXX for FCC ID: BABFT0048A, originally granted on 05/28/2013. We change FM receiver part had confirmed conformity of Part 15 Subpart B to "Certification" procedure from "Verification" based on KDB 178919 D02 Q&A7.

This Car Navigation with 2.4 GHz band WLAN and Bluetooth was granted as Part 15 Subpart C for composite "DTS"/ "DSS", and we add "CXX - Communications Rcvr for use w/ licensed Tx and CBs" as Equipment Code to this product.

This time, we performed the re-testing of Part 15 Subpart B because we change the following points from the based model. Please refer to the test report submitted with this application. Also, for Part 15 Subpart C performed the testing and confirmed that it is Class 1 permissive change.

- Microphone audio AD converter change: AK5381VT to PCM1808
- GPS TCXO change: NT2520SA to NT2520SB

Thank you for your attention to this matter.

Sincerely,
