Columbia, Md. 21045  
USA

**Subject : Correspondence Reference Number: 11573 and 11574**  
**(731 Confirmation Number:EA96475 and FCC ID BBP104S)**

To whom it may concern :

Thank you very much for the above correspondence.

We have realized that there is a discrepancy between Form 159 and 731 regarding to Confidentiality Request.

We do not intend to request the confidentiality as shown in our Form 730. It was an error that the Form 159 indicated.

EBC code and the payment was also made including \$135.00. So, please process the application accordingly.

It is our understanding that the \$135.00 will be credited to the payer's credit card when the grant is issued to the application.

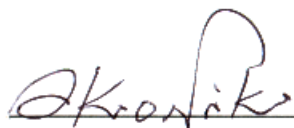

Should you have any question, please send e-mails to me as you did on 1/19/2K. Apologize for the confusion.

Best regards,

(Authorized Person) Yoshio Watanabe, Ricoh Corp. - San Jose.

The application request certain exhibit being held confidential. Please submit a letter referencing the FCC rules which allow information to be held confidential, specifically define the exhibit to be held (by block diagram, etc.). Addressing why you want it to be confidential.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal pursuant to Section 2.917 (c) and forfeiture of the filing fee pursuant to section 1.1108.

DO NOT reply to this e-mail by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at [www.fcc.gov](http://www.fcc.gov), Electronic Filing, OET Equipment Authorization Electronic Filing. If the response is submitted through Add Attachments, in order to expedite processing, a message which informs the processing staff that a new exhibit has been submitted must also be submitted via Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
