

## Electronic Labeling – Apple Watch

**FCC ID: BCG-A1860, Models A1860**

**FCC ID: BCG-A1889, Models A1889**

**FCC ID: BCG-A1890, Models A1890**

**FCC ID: BCG-A1861, Models A1861**

**FCC ID: BCG-A1891, Models A1891**

**FCC ID: BCG-A1892, Models A1892**

Following the KDB 784748 D02 Electronic Labeling Guidance, the information related to Electronic Labeling implementation for the Apple Watch is presented below:

| Information                                                                                                                                                                                                                                                                                                      | On E-Label | On Product Packaging | In Online Manual | In Printed Info Guide |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|----------------------|------------------|-----------------------|
| FCC ID Number                                                                                                                                                                                                                                                                                                    | X          | X                    |                  |                       |
| DoC Logo                                                                                                                                                                                                                                                                                                         | X          | X                    |                  |                       |
| 15.19 Statement:<br><i>“This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”</i> |            |                      | X                | X                     |
| DoC Compliance Information Statements                                                                                                                                                                                                                                                                            |            |                      | X                |                       |
| Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment                                                                                                                                        |            |                      | X                |                       |

Snapshot of the E-Label presented on the integrated display of the device is shown below:

**Model A1860:**

**Model A1889:**

Model A1889  
EMC 3169

U.S.  
FCC ID: BCG-A1889

Canada  
IC: 579C-A1889  
CAN ICES-3  
(B)/NMB-3(B)

Model A1889  
EMC 3170

U.S.  
FCC ID: BCG-A1889

Canada  
IC: 579C-A1889  
CAN ICES-3  
(B)/NMB-3(B)

**Model A1890:**

Model A1890  
EMC 3169

U.S.  
FCC ID: BCG-A1890

Canada  
IC: 579C-A1890  
CAN ICES-3  
(B)/NMB-3(B)

Model A1890  
EMC 3170

U.S.  
FCC ID: BCG-A1890

Canada  
IC: 579C-A1890  
CAN ICES-3  
(B)/NMB-3(B)

**Model A1861:**

Model A1861  
EMC 3167

U.S.  
FCC ID: BCG-A1861

Canada  
IC: 579C-A1861  
CAN ICES-3  
(B)/NMB-3(B)

Model A1861  
EMC 3168

U.S.  
FCC ID: BCG-A1861

Canada  
IC: 579C-A1861  
CAN ICES-3  
(B)/NMB-3(B)

**Model A1891:**

Model A1891  
EMC 3167

U.S.  
FCC ID: BCG-A1891

Canada  
IC: 579C-A1891  
CAN ICES-3  
(B)/NMB-3(B)

Model A1891  
EMC 3168

U.S.  
FCC ID: BCG-A1891

Canada  
IC: 579C-A1891  
CAN ICES-3  
(B)/NMB-3(B)

**Model A1892:**

Model A1892  
EMC 3167

U.S.  
FCC ID: BCG-A1892

Canada  
IC: 579C-A1892  
CAN ICES-3  
(B)/NMB-3(B)

Model A1892  
EMC 3168

U.S.  
FCC ID: BCG-A1892

Canada  
IC: 579C-A1892  
CAN ICES-3  
(B)/NMB-3(B)

Users can access the E-Label screen on Apple Watch by going to Settings > General > Regulatory.

These steps are shown in the Regulatory section of the printed “Apple Watch Info Guide”, included in the packaging box with the product.

Extract of the Regulatory section from the Apple Watch Info Guide is shown below:

**Regulatory** Regulatory information, certification, and compliance marks specific to Apple Watch are available on Apple Watch. Go to Settings > General > Regulatory. Additional regulatory information is in “Safety, Handling, and Support” in the Apple Watch User Guide.

The Regulatory information is programmed in a secured manner. End-users or third parties cannot modify the Regulatory information page on the device.

Product Packaging Label is shown below:

The product is packaged individually.

**Models A1860:**

FCC ID: BCG-A1860  
ICID: 579C-A1860

**Models A1889:**

FCC ID: BCG-A1889  
ICID: 579C-A1889

**Models A1890:**

**FCC ID: BCG-A1890**

ICID: 579C-A1890

**Models A1861:**

FCC ID: BCG-A1861

ICID: 579C-A1861

**Models A1891:**

FCC ID: BCG-A1891

ICID: 579C-A1891

**Models A1892:**

FCC ID: BCG-A1892

ICID: 579C-A1892
