Theory of Operation
Antenna Information

The above mentioned documents contain detailed system and equipment descriptions and are considered proprietary information. The public disclosure of the above documents might be harmful to our company and would give a competitor an unfair advantage in the market.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR 2.803 and the importation rules in 47 CFR 2.1204, while insuring that business sensitive information remains confidential until the actual marketing of newly authorized devices we are requesting the commission grant short-term confidentiality to the following attachments until January 15, 2007.
