A photograph of the bottom of a silver laptop, likely an Apple MacBook, resting on a dark surface. A white ruler is placed horizontally below the laptop, showing measurements in centimeters from 10 to 12. The laptop has four black circular feet. A small white label is affixed to the upper center of the laptop's base, containing text that is partially legible. The text on the label includes "Apple Computer, Inc. is not responsible for any damage to your property or any loss of data that may occur as a result of using this product." and "Apple Computer, Inc. is not responsible for any damage to your property or any loss of data that may occur as a result of using this product." The laptop is positioned centrally in the frame, and the ruler is used to provide a sense of scale.
