

EUT Photo.–External

A black LG DVD recorder with a silver front panel. The device is shown from a front-three-quarter view, resting on a light-colored surface. The front panel features a disc tray on the left, a central display screen, and a row of control buttons on the right. The LG logo is visible on the bottom left of the front panel. Text on the front panel includes "DVD-RW/VIDEO RECORDING", "4-CH HI-FI STEREO 100W", and "DVD VIDEO".

The image shows the rear panel of an LG 22140 LCD monitor. On the left, there are two BNC connectors and a power jack. In the center, there are various input ports including DVI, VGA, and audio jacks. To the right of the ports is a black rectangular ID label with the LG logo and technical specifications. A red arrow points from a yellow text box at the bottom to this label. The text box contains the text "Location of ID Label".
