RE: FCC ID: BEJGT550
Expedited Request For Dismissal
Original Grant date: 10/22/2009
Expiration Date (STC): April 20, 2010

Dear Mr. Dichoso:

We, LG Electronics Inc., hereby request for expedited dismissal of the above-referenced FCC ID on or before April 20, 2010.

The mass production of the GT550 model was unexpectedly delayed until July 5, 2010 and consequently the 180 days maximum hold of short-term confidential (STC) filed documents will expire. In order to prevent the premature release of the STC documents prior to product launch date and pursuant to the advised by the Commission's via email letter on **January 3, 2008**, we therefore request the dismissal of the above-referenced FCC ID.

We also confirm that the above-referenced FCC ID has not been marketed or sold in the U.S.

The STC documents contain trade secrets and proprietary information not customarily released to the public prior to product launch. The premature public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors. Accordingly, we hereby request the Commission for dismissal of the above-referenced FCC ID.

Sincerely,

Jae Cheon(J.C.) Lee
