RE: FCC ID: BEJGU295
 Expedited Request For Dismissal
 Original Grant date: 11/24/2009
 Expiration Date (STC): May 23, 2010

C2PC Grant Date: 04/08/2010
Expiration Date(STC): October 5, 2010

Dear Mr. Dichoso:

We, LG Electronics Inc., hereby request for expedited dismissal of the above-referenced FCC ID on or before May 23, 2010.

The mass production of the GU295 model was unexpectedly delayed until June 15, 2010 and consequently the 180 days maximum hold of short-term confidential (STC) filed documents will expire. In order to prevent the premature release of the STC documents prior to product launch date and pursuant to the advised by the Commission's via email letter on **January 3, 2008**, we therefore request the dismissal of the above-referenced FCC ID.

We also confirm that the above-referenced FCC ID has not been marketed or sold in the U.S.

The STC documents contain trade secrets and proprietary information not customarily released to the public prior to product launch. The premature public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors. Accordingly, we hereby request the Commission for dismissal of the above-referenced FCC ID.

Sincerely,
