RE:	FCC ID: BEJGW370	
	Expedited Request For Dismissal	
	Original Grant date: 01/15/2010	C2PC Grant Date: 06/15/2010
	Expiration Date (STC): July 14, 2010	Expiration Date(STC): December 12, 2010

Dear Mr. Dichoso:

We, LG Electronics Inc., hereby request for expedited dismissal of the above-referenced FCC ID: BEJGW370.

The mass production of the GW370 model was unexpectedly delayed until August 15, 2010 and consequently the 180 days maximum hold of short-term confidential (STC) filed documents will expire. In order to prevent the premature release of the STC documents prior to product launch date and pursuant to the advised by the Commission's via email letter on **January 3, 2008**, we therefore request the dismissal of the above-referenced FCC ID.

We confirm that the above-referenced FCC ID has not been marketed or sold in the U.S.

We are also aware that the STC release date for the original filing was July 14, 2010 and that the Internal, External, Test Setup Photographs as well as Users Manual were publicly viewable from July 14, 2010 to July 19, 2010.

The STC documents contain trade secrets and proprietary information not customarily released to the public prior to product launch. The premature public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors. Accordingly, we hereby request the Commission for dismissal of the above-referenced FCC ID.

Sincerely,

Jae Cheon(J.C.) Lee
