Subject: Re: Questions Regarding FCC ID: BEJL02A

Importance: High

Hello PCTEST TCB,

Please see below responses for your comments.

After checking them, please send me the grants without any problem.

Thank you!

Best regards

Han.

Subject: Questions Regarding FCC ID: BEJL02A

To: Ms. Sun-Hee Kim / HCT

From: Mr. Steve Liu/ PCTEST TCB

RE: FCC ID: BEJL02A

Applicant: LG Electronics Inc.

Correspondence Reference Number: BEJ81025

Confirmation Number: 810221025-26

Date of Original Email: October 23, 2008

Subject: Request for additional information

In regards to your recent TCB application referenced above, we kindly request that you provide the following additional information.

1. Operational description shows EDGE mode is available, but the Part 22/24 and SAR report does not address EDGE mode capability. Please clarify.

-> The main chipset supports the EDGE mode, however, L-02A doesn't support the EDGE mode.

2. Please clarify if WCDMA 1900 or GSM 850 will be available for this application. The schematics indicate they may be available.

-> The main chipset supports W850/W1900, however, L-02A supports W850 only.

3. Users Manual looks like manual for a phone (i.e. batteries, phone, etc.). Please amend or submit for the USB modem. It states RF exposure information as a "phone" (page 4). Please

amend for a USB modem, and also with 0.5 cm spacing warning for SAR. There should not be wording about holsters/belt-clips, etc.

-> Please find the revised User manual.

The item indicated above must be submitted before processing can continue on the above referenced application.

Sincerely,
Stephen Liu
Certification Engineer
