RE: CONFIDENTIALITY REQUEST FOR
20" LCD Monitor
FCC ID: BEJLB200A
MODEL #: LB200A

Gentlemen

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the schematic diagrams, block diagrams required to be submitted with this application be withheld from public review.

These documents contain detailed system and equipment description and related information about the product which LG Electronics Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, LG Electronics Inc. feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink, appearing to be 'K. Ky'.
