Hello PCTEST TCB,
Thank you for your e-mail.
First of all, there is a change for HAC key feature letter for LG100C.
Please use the revised HAC key feature letter.
For comments, please see below and attachments.
Additionally, Ms. Kim in HCT sent you the BT & WiFi operational descriptions for GD900.
After checking them, please send us the grants for GD900 without any additional comments.
Thank you!

Best regards
Han.
