RE: FCC ID: BEJLG910G
Expedited Request For Dismissal
Original Grant date: 02/14/2011
Expiration Date (STC): August 13, 2011

Dear Mr. Dichoso:

We, LG Electronics, Inc., hereby request for expedited dismissal of the above-referenced FCC ID.

The mass production of the LG910G model was unexpectedly delayed later than October, 2011 and consequently the 180 days maximum hold of short-term confidential (STC) filed documents expired. We, LG Electronics, Inc. was aware of the STC release date for the original filing was August 13, 2011 and that the Internal, External, Test Setup Photographs as well as Users Manual were publicly viewable from August 13, 2011 to August 17, 2011.

In order to keep STC even though it was viewable for a while, we request the dismissal of the above-referenced FCC ID.

We also confirm that the above-referenced FCC ID has not been marketed or sold in the U.S.

Accordingly, we hereby request the Commission for dismissal of the above-referenced FCC ID.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Johnson'.
