

DISMISSAL REQUEST CONTAINED WITHIN

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

To whom it may concern

Application:

LG Electronics Inc., 16, Woomyeon-dong, Seocho-ku, Seoul 137-724, Korea
herein submits: Application for Equipment Authorization for certification of a telematics device
FCC ID: BEJLTGEN71L. LGE is the manufacturer of this equipment. This equipment is a
subscriber unit installed in a vehicle.

DISMISSAL:

LGE hereby requests the dismissal of the above mentioned application. Because the antenna cable
loss of vehicle is to reflect the maximum power of AMPS band. Therefore the range of maximum
power limit would be changed at new application.

BEJLTGEN71L with a Grant Date of February 15, 2007 be dismissed. As of today [04/02/2007], I'm
confirming that this product has not been mass-produced and sold in USA.

Contact Information:

Please contact me by sending an e-mail to junnykim@lge.com, or make a telephone call to the
number +82-2-526-4687, if there is any question or additional information needed concerning this
filing.
