

CONFIDENTIALITY REQUEST CONTAINED WITHIN

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

Application:

LG Electronics Inc., 16, Woomyeon-Dong, Seocho-Gu, Seoul 137-724, Korea
herein submits: Application for Equipment Authorization for certification of a Cellular Transceiver
FCC ID:BEJLTGEN80L. LGE is also the manufacturer of this equipment. This equipment is a subscriber
unit installed in a vehicle.

Confidentiality

In accordance with 0.459 of CFR 47, LG Electronics, Inc. hereby requests confidentiality of the Block
Diagrams, Schematic Diagram, Circuit Description, Operational Description and Part List/Tune-Up
Procedure for the above referenced type acceptance application.

These materials contains LGE's secrets and confidential information that LGE does not customarily
release to the public and which is otherwise not generally available to the public. Since this design is a
basis from which future technological products will evolve, LG Electronics Inc. considers this
information to be benefit to its competitors an unfair advantage in the market.
