Re: FCC ID: BEJLX570
Cellular/PCS Phone w/FM transmitter

Gentlemen:

This letter is to certify that the FCC ID: BEJLX570 phone contains all necessary hardware for an FM transmitter. Although the hardware is contained in the device, the support software has not been completed at this time and the FM transmitter is not operational.

Should the software complete development the appropriate testing and a Class II Permissive change filing procedures will be followed for adding this feature to the above referenced device.

Sincerely,
