In re: LG Electronics Inc.

Dual Band GSM Phone
Part 22H& Part24E Certification
Request for Confidentiality

Gentleman:

In accordance with 0.459 of CFR47, LG Electronics Inc. hereby requests confidentiality of the Block diagrams attachment, Schematic Diagrams & Circuit Description attachment, Operational Description attachment, and Parts List/Turn-Up Procedure attachment for the above-referenced Type Acceptance application.

These documents contain detailed system and equipment description and related information about the Product which LG Electronics Inc. Considers to be proprietary, confidential, and a customer design and, otherwise, would not release to the general public.

Since this design is a basis from which future technological products will evolve, LG Electronics Inc. considers this information to be of benefit to its competitors, such that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Kevin Lee
Senior Research Engineer
