## FCC Class II Permissive Change Request Letter

Date: 18 Apr 2016

To FCC:

RE: FCC Permissive II Change Request for Company: LG Electronics USA FCC ID: BEJTUVM01IU

We are submitting an application for a class II permissive change to the FCC approval of the Company name: LG Electronics USA, product description: VW OCU module (FCC: BEJTUVM01IU, Original Grant Date: 05/20/2015). The transmitter module itself has not changed.

Here are the changes:

Some parts of the board are removed, added, or changed position according to 'HW Change Description'. Please refer to the document for detail description.

We hereby declare that changed model is mechanically and technically identical to original model except attach detail change description document.

Sincerely,

Title Director, NA Regulatory & Environmental Affairs.

Name: Jongchul Lee
