Subject: Class II Permissive Change Application for FCC Grant on LG Microwave Oven
FCC ID: **BEJV204FSA**

Gentleman,

We, LG Electronics Tianjin Appliance Co., Ltd., hereby submit this application letter and test report to apply Class II Permissive Change for using the alternative Noise Filter type EAM35001888 by YunLu on the previous granted microwave oven model MV2040ASDL as follows.

1. Granted FCC ID: **BEJV204FSA** dated 04/27/2010.
2. Model no.: MV1840ASD (RF Power Output – IEC705: 1100 W)
3. **Alternative Noise Filter: EAM35001888 (YunLu)**
4. Applied model is for household use.

We have performed all tests using model MV1840ASD with Magnetron (2M246, LG) at our measurement facilities as enclosed.

No out-of-band frequency measurement and over-limit radiated emission was discovered.

Your prompt cooperation would be appreciated.

If you have any comments, please feel free to contact me, Jacob Cho, Director of Standards & Compliance at LG Electronics USA, Inc. or Mr. Kim Dae Woong at LG Electronics Home Appliance Company.

Best regards,

Kim Dae Woong, Chief Research Engineer
Home Appliance Company, EMC Center
LG Electronics Inc.
