The image shows the back of a dark brown refrigerator. A silver-colored top panel features a warning label with the following text:

WARNING Do not connect this plug.

Never connect this power supply connection cord to a power outlet to prevent fire.

• Disconnecting it from the power outlet will allow you to use the refrigerator safely for the energy-efficient use and for the safety of the user.

Reconnecting to the power outlet.

PTN MC2801V1.1

On the left side of the back panel, there is a white label with a barcode and the text:

SN: 101420130

6114-101420130-01710
