 FCC ID: BEJVL600
 Class II Permissive Change
 Original Grant Date: July 16, 2010

Gentlemen:

Transmitted herewith, on behalf of LG Electronics USA is an application for a Class II Permissive Change Certification of a Cellular/PCS CDMA / 700MHz LTE USB Modem, Model VL600.

Please note that there have been no changes to the RF circuitry and the unit remains electrically identical to the originally certified VL600. All changes implemented are within the guidelines specified in the FCC Permissive Change Policy document 178919. No RF output power changes have been made to the device.

Tests have been performed to evaluate the VL600 Class II changes and determined that the device remains compliant with all applicable FCC regulations.

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'J.C. Lee' with a stylized flourish.
