RE: FCC ID: BEJVS760
 Expedited Request For Dismissal
 Original Grant date: 09/13/2010 C2PC Grant Date: 10/14/2010
 Expiration Date (STC): March 12, 2011 Expiration Date(STC): April 11, 2011

Dear Mr. Dichoso:

We, LG Electronics Inc., hereby request for expedited dismissal of the above-referenced FCC ID: BEJVS760.

The mass production of the VS760 model was unexpectedly delayed until May 17, 2011 and consequently the 180 days maximum hold of short-term confidential (STC) filed documents will expire. In order to prevent the premature release of the STC documents prior to product launch date and pursuant to the advised by the Commission's via email letter on January 3, 2008, we therefore request the dismissal of the above-referenced FCC ID.

We also confirm that the above-referenced FCC ID has not been marketed or sold in the U.S.

The STC documents contain trade secrets and proprietary information not customarily released to the public prior to product launch. The premature public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors. Accordingly, we hereby request the Commission for dismissal of the above-referenced FCC ID.

Sincerely,

A handwritten signature in black ink, appearing to read 'J.C.' with a stylized flourish underneath.
