Subject: Re: Question Regarding FCC ID: BEJVB5500
Importance: High

Hello Steve,
I confirm that these key features are applicable for both models.
Please progress FCC certification asap.
Thank you!

Best regards
Han.

Hi Han,

For your response to your question, please indicate which model is associated for your stated key features. you indicate that both VX5500 and CX5500 are applicable for this application; therefore you need to state if these key features are applicable for both models.

In the future, please indicate the models associated with the particular key features. Thanks.

Best Regards,
Steve

Subject: Question Regarding FCC ID: BEJVB5500

To: Mr. Bong Hyo Han / LG Electronics Inc.
From: Mr. Gregory Czumak / PCTEST TCB

RE: FCC ID: BEJVB5500

Applicant: LG Electronics Inc.

Correspondence Reference Number: BEJ80557
Confirmation Number: 806180557-59
Date of Original Email: July 17, 2008

Subject: Request for additional information

In regards to your recent TCB application referenced above, we kindly request that you provide the following additional information.

1. Please submit a list of marketed features and capabilities of the EUT, to aid in HAC model counting requirements. The information below is from the FCC:

- Document the Handset Modes Features and Capabilities:
 - The test report shall document and list the marketed features of the tested model.
 - This includes:
 - all radio services,
 - air interfaces,
 - wireless technology,
 - bands and
 - key features (i.e. Bluetooth profiles, Wi-Fi Applications, Music Player, Radio receiver, etc)

- all radio services: CDMA, S-GPS, Bluetooth

- air interfaces: TIA/EIA-95A , TSB-74, ANSI J-STD-008, TIA/EIA-IS2000

- Wireless technology: CDMA, S-GPS, Bluetooth

- Bands: Cellular(835MHz), PCS(1900MHz), BT 2.4GHz, GPS1500MHz

- Key features: BT EDR 2.0

HSP = Head Set Profile (Mono Headset)

GAP

SPP = Serial Port Profile

OPP = Object Push Profile

PBAP = Phone Book Access Profile

Therefore, if you have multiple models with multiple ratings under one FCC ID, this will provide the FCC with the identification of key differences between each model, to justify multiple ratings.

The items indicated above must be submitted before processing can continue on the above referenced application.

Sincerely,

Gregory Czumak
