In re: LG Electronics Inc.
FCC ID: BEJVB8100
Request for Short-Term Confidentiality

To Whom It May Concern:

In accordance with 0.457 and 0.459 of CFR 47, LG Electronics Inc. requests short-term confidentiality for the test setup photos, external photos, internal photos, and user's manual of the attached test report.

These documents contain detailed system and equipment descriptions and related information about the product, which LG Electronics Inc. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, LG Electronics feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to be 'E. S. Park', written over a horizontal line.

**Dual-band Tri-mode CDMA Phone (Cellular/PCS/GPS)
Part 15C Certification
Request for Confidentiality**

Gentlemen:

In accordance with 0.459 of CFR 47, LG Electronics, Inc. hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams & Circuit Description attachment, Operational Description attachment, and Parts List/Tune-Up Procedure attachment for the above-referenced Type Acceptance application.

These documents contain detailed system and equipment description and related information about the product which LG Electronics Inc. Considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public.

Since this design is a basis from which future technological products will evolve, LG Electronics Inc. considers this information to be of benefit to its competitors, such that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

E.S.Park
Chief Research Engineer
