

AUDIOVOX

Sound is our name. You know it.

PROPOSED FCC ID LABEL

AUDIOVOX CORP.

FCC ID: BGA9344AR

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference,
and (2) this device must accept any interference
received, including interference that may cause
undesired operation.

A black and white photograph of an Audiovox car stereo unit. The unit is a rectangular black box with a speaker grille on the front. A white label on the top left of the unit reads "FCC ID LABEL AREA". To the right of the unit, a wiring harness with multiple colored wires is visible, with a small white label attached to it. A ruler is placed horizontally behind the unit and wiring, showing measurements in inches (1.7, 1.9, 2.0, 2.1, 2.4, 2.5) and centimeters. A small white label with the text "Audiovox6-26-98" and "98E7364" is placed on the surface to the right of the unit. A power cable is connected to the bottom of the unit.
