6/26/2000

Mr. Andy Leimer

FCC

SUBJECT: Audiovox Model No. FR-540

REFERENCE: TC97816

This letter is to advise you that the power output should have been 360mW on the 731 form.

Also attached is a revised tuning procedure that states that the maximum power is 360mW.

If you need anything else please let me know.

Sincerely,

Sid Sanders
