To Whom It May Concern:

In accordance with 0.457 and 0.459 of CFR 47, TATUNG CO. requests short-term confidentiality for the test setup photos, external photos, internal photos, operational description , schematics, block diagram and user's manual of the attached test report.

These documents contain detailed system and equipment descriptions and related information about the product, which TATUNG CO. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, TATUNG CO. feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

Chung Chang / Director
