

认证铭牌:

Explanation of the Model references:

SOCTB300XXXXXX

1) The first and second "XX" denotes the table COLOR ;

2) The third and fourth "XX" denotes the table glass COLOR ;

3) The last two "XX" denotes table version, e.g. Selling Country/Market, different packaging or the special code and so on.

*** ALL "XXXXXX" can be changed to any alphabets from "A" to "Z", or any Numbers from "0" to "9", or with BLANKS marks directly if unnecessary.

E.g.l: SOCTB300WHBK, " WH "represents product body color - " WHITE ", and " BK " represents the top glass color - " BLACK ";

and the last two "XX" marks in blanks informations because not confirm the version by now.

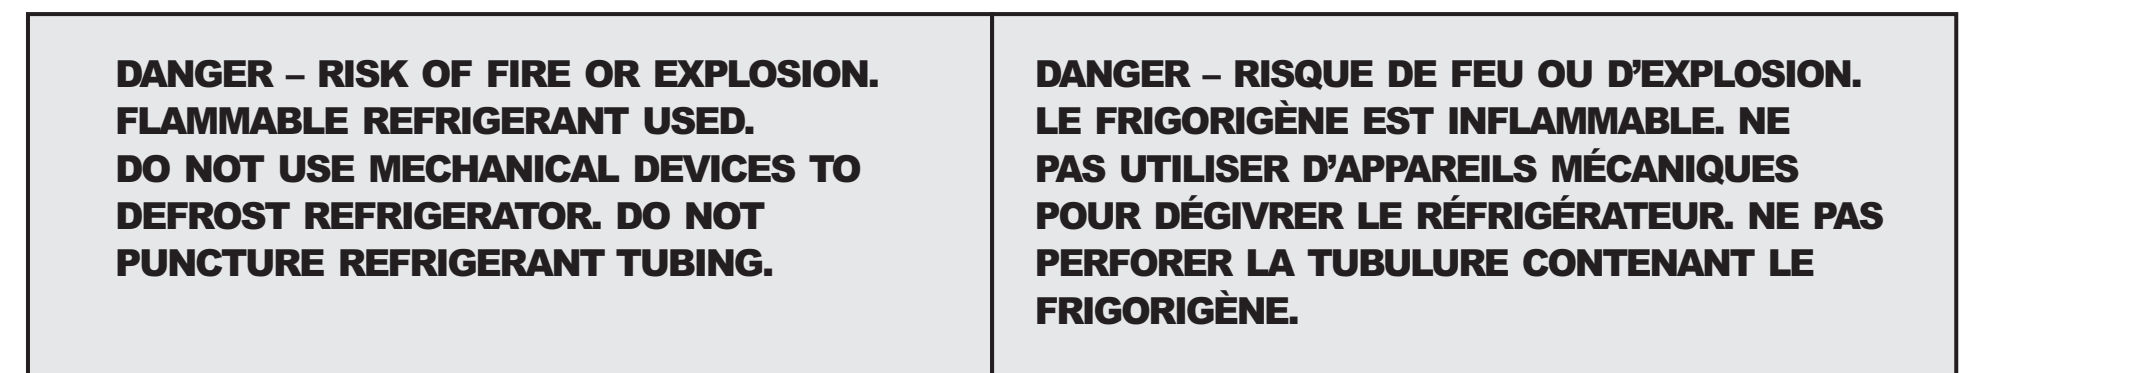

E.g.2: SOCT300WDBK, the first "WD" represents product body color - "WOODEN", and another "BK" means the top glass color - "BLACK" no version so to with the blank marks for the last two "XX".
