Subject: Type Acceptance FCC ID: BV8CS803

M/A –COM, Inc. wishes the certification of the BV8CS803 control basestation to Part 90 of the 47 CFR. The product in question is an full duplex, 18 watt, 806-824 MHz control station, as such we are filing it as a basestation under part 90 rules. RF safety was not addressed except in a generic matter as this is a licensee issue on a basestation.

Regards,
