Subject:

Updated Request for Confidentiality of Documentation submitted, CFR 47 § 0.457, 0.459

Dear Mr. Leimer,

As requested by correspondence 24278 of today, we hereby revise our Request for Confidentiality as follows:

Please check the following FSG 2T documentation already submitted to FCC for Confidentiality:

Block Diagram	252903 Bytes
Schematics	1713939, 183624, 121810, 23041 Bytes
Parts Lists	74972 Bytes
Operational Description	687543 Bytes

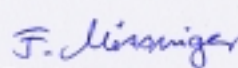

Our commercial interests are the reason for this required protection of the submitted material, in order to be not accessible by any party in this very specialized VHF/AM voice communications market segment.

Thank you very much in advance for your cooperation.

Sincerely yours
