**Subject: Confidentiality Request for:
FCC ID: BXONEON-TU-1000**

Pursuant to FCC 47 CFR 0.457(d) and 0.459 and IC RSP-100, Section 10, the applicant requests that part of the subject FCC/IC application be held confidential. Long term confidentiality is requested for the following exhibit:

- Revision E hardware change description document submitted for consideration as part of the permissive change process.

TRX Systems, Inc. has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

The applicant requests the exhibits listed above as permanently confidential to be permanently withheld from public review due to material that contains trade secrets and proprietary information not customarily released to the public.

Sincerely,

A handwritten signature in black ink, appearing to read 'Benjamin Funk', written in a cursive style.
