

PERFORMANCE TIPS

1. Operate your vehicle in a safe place. Do not drive in the street. Avoid driving through sand, mud, and water, which can impair the performance of your vehicle.
2. Do not leave your vehicle near sources of heat or under direct sunlight for long periods of time.
3. Do not expose your vehicle to humidity for long periods of time as dampness can damage interior mechanism.
4. Clean the toy vehicle regularly with a slightly damp cloth.
5. When the vehicle slows down or begins to move erratically, replace the batteries with new ones.
6. Concrete walls, metal posts, wire fence, and other electrical appliances and machineries can interfere with the transmission signal and result in erratic performance of your vehicle. In this case, change to a different location.
7. If another radio control vehicle or CB radio is operating at your same location, they may interfere with the performance of your vehicle.
8. Alkaline batteries are highly recommended.

BATTERY CAUTIONS

1. For maximum performance, use alkaline batteries.
2. Do not mix old and new batteries.
3. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries
4. Do not recharge non-rechargeable battery.
5. Ensure batteries are inserted with the correct polarity.
6. Remove batteries when toy is not in use.
7. Remove exhausted batteries from toy and dispose of in accordance with the makers recommendation
8. Rechargeable batteries should only be charged under adult supervision.
9. Remove rechargeable batteries from toy before charging.
10. The supply terminals are not to be short-circuited.

Battery/Batteries should be installed by an adult only. The toy is not intended for children under 3 years old. Keep packaging for reference since it contains important information. Exhausted batteries are to be removed from the toy.

WARNING:

NOT SUITABLE FOR CHILDREN UNDER THE AGE OF 36 MONTHS DUE TO SMALL PART(S) AND ENTANGLEMENT/STRANGULATION HAZARDS. PACKAGING MATERIALS ARE NOT TOYS. PLEASE REMOVE ALL PACKAGING AND PACKING TAGS/WIRES BEFORE GIVING THIS TOY TO YOUR CHILD. COLOUR, DESIGNS AND DECORATIONS MAY VARY FROM THOSE SHOWN IN THE PHOTOGRAPHS. HAIR ENTANGLEMENT MAY RESULT IF THE CHILD'S HEAD IS TOO CLOSE TO THE MOTORISED UNIT OF THIS TOY.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

IMPORTANT

If you experience any problems or issues with this item, do not take it back to the store where you purchased. Please email service@scientific.com.hk and we will be happy to assist you in resolving any issues you may have. We thank you for your purchase.
