Subject: **Request for Confidentiality**
FCC ID: BYM400CC

Gentlemen:

HM Electronics, Inc. understands that pursuant to 47 CFR Part 0.457(d)(1)(ii), disclosure of the subject FCC application and all accompanying documentation will not be made publicly available before the date of the Grant for this application.

In addition, pursuant to 47 CFR Part 0.459, HM Electronics, Inc. requests post-grant confidential treatment of the following items:

1. Operational Descriptions, specifically Theory of Operations and Function of Each Semiconductor Device
2. Schematics
3. Tune Up Procedure
4. Bills of Material (Qty 6)
5. Transceiver Board Drawing 180092 *(SCHEMATIC)*

These items contain trade secrets, detailed system and equipment descriptions, and related information about the product that HM Electronics, Inc. considers to be proprietary, confidential, and not customarily released to the public and which, otherwise, are not generally available to the public. HM Electronics, Inc. considers that the public disclosure of this information might be used to the disadvantage of HM Electronics, Inc. in the market and provide unjustified benefits to its competitors.

Thank you for your attention to this matter.

Sincerely,

Scott C. Hoeptner
