SUBJECT: FCC Application for (FCC ID: BYMBP5GC1)

To Whom It May Concern:

We are submitting an application for a class II permissive change to the FCC approval of the Company name: HM Electronics, Inc., product description: Wireless Beltpack (FCC ID: BYMBP5GC1, Original Grant Date: 04/16/2026). Here are the changes:

The purpose of this C2PC filing is to add support for the following additional 5G NR operating bands:

- NR Band n25
- NR Band n71

No hardware changes impacting the RF fundamental design have been made to the device other than enabling the above frequency bands. The RF circuitry, PCB layout, antenna design, and power architecture remain unchanged from the originally certified configuration.

Sincerely,
