(B) Adapter

A black, rectangular, ribbed electronic device, possibly a small speaker or a sensor, is shown next to a ruler for scale. The device has a small oval logo with the letters 'CE' on its front. A coiled black cable is attached to the side of the device. The ruler shows measurements in centimeters and millimeters.

A black power adapter with a coiled cable, placed on a surface with two rulers for scale. The adapter has a label with technical specifications and a CE mark. The label text includes: "L.I. POWER SYSTEM", "CLASS 1 TRANSFORMER", "MODEL: 200-100-1000", "INPUT: 220V-240V 50/60Hz", "OUTPUT: 100V 1.0A", "OVERCUT TIME: 100", "L.I. SYSTEM", "CE", "MADE IN CHINA". The CE mark is a circle with "CE" inside. The adapter is positioned between two rulers, one horizontal and one vertical, both showing measurements in millimeters. The horizontal ruler is at the bottom, and the vertical ruler is on the right side. The adapter's width is approximately 40 mm, and its height is approximately 60 mm. The cable is coiled on the left side of the adapter.
