

Model 2145 Label Location and Content

The label is an e-label that can be accessed on the host device in three steps.

- 1) Turn off the device.
- 2) Press and hold the volume-up button and at the same time press and release the power button. Release the volume-up button when the UEFI (Unified Extensible Firmware Interface) screen appears.
- 3) Select About to view regulatory marks.

E-label content

Model 2145 Contains FCC ID: C3K00002101 Contains IC: 3048A-00002101 CAN ICES-3 (B)/NMB-3 (B)

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
